

Now We Know

John Ecob

*“We know what withholdeth (hinders) that he (Antichrist)
might be revealed in his time” (2Thess2:3).*

Now we know, the Scripture saith,
What holds the reins to save from death;
A world prepared for judgment stark,
Foreseen in type by Noah’s ark.

The Day of Judgment draweth nigh
But something hinders Satan’s lie;
It’s not an army trained to fight,
But just a Church in robes of white.

It cannot come, that awful time,
Till saints are raised to heights sublime;
Caught up in clouds to meet the Lord,
Then, only then, is wrath outpoured.
