

God's Way

Georgia B. Adams

I can never gain an entrance
To heaven by and bye,
If only in my goodness
I hopefully rely.

God has one plan - one method,
By which I enter in -
'Tis simple faith in Jesus,
Who takes away my sin.

His death would all be worthless,
If works can save my soul,
So I praise God for my Saviour,
Whose blood has made me whole.
